- Not much to report this time! Still prepping and getting ready for some big projects - you'll hear when they're ready!
- Sorry there's not more today!

Things are rough, and it's still going to take more time, but there's a light at the end of the tunnel.
Hang in there!

Infrastructure

Director: Ash/Bunny (She/Her)

Kumoricon Twitch mod: FieryAshes - Discord: ashybunny#1767

It has been a really rough time for some of the Infrastructure leadership recently. But we are still pressing forward and working on behind the scenes work for now.

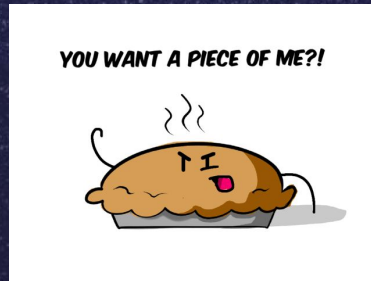

Infrastructure primarily just wants to let you know that we need staff for all our subdepartments! Please check out the open Infrastructure positions on the open position list via the Kumoricon website.

We have multiple lovely teams that need help:

- Hotels
- Infrastructure office
- Intradepartmental liaisons
- Facilities
- KumoriMarket
- IT

We take a brief break to appreciate the day that is Pi
