Welcome to Kumoricon 2010!

This Pocket Programming Guide is a handy reference for a lot of the fun things going on at the convention! Combined with your trusty Program Guide, you'll be ready for everything Kumoricon has to offer! We hope you enjoy the convention!

Convention Tips

Planning is the key to survival!

Overwhelmed with all that is going on? So many events and so little time? This pocket guide and the main convention book are all extremely helpful in knowing when something is going on, and from there you can decide on what to attend. You can watch anime and listen to music at home, but you might not be able to attend the Kumori Ball or Cosplay Contest as easily.

Make notes of where the rooms are that you want to visit, so you aren't scrambling at the last minute, trying to find out where Viewing 2 room is.

Know the area!

It's good to get a general understanding of the layout of the convention itself, but its even better to get to know the local area. Restaurants, shops, parks, and other places are all good to know. If you are meeting others who may not know the area, locate a fairly easy to find landmark at the convention: an elevator, near the bathrooms, anything that is easily recognized and found by other convention goers. This also serves as a place to meet up if you get separated.

Try to avoid the main lobby and other high traffic areas, as it will be much easier to find each other in less crowded areas.

Take care of yourself!

Don't pressure yourself to get everything you can out of the convention. Relax and take in the experience instead of rushing to see and do everything you could possibly want. Pace yourself, drink lots of water, eat good meals, and have fun. Don't run yourself ragged, or you might take home a cold (or worse) along with your anime goodies!

Budget your spending!

Don't drain your wallet on the first day. Good things can surface later in the convention, and you may regret buying that set of manga when that special something pops up near the end.

Don't lose your badge!

This explains itself, really. Avoid the headache, make sure you have that badge at all times!

Badge Policies

Please read the full list of policies in the main convention book. Details of important policies are repeated here for your convenience:

Your badge is your pass to event space. Be careful not to leave it in your room, at home, or anywhere other than on your person while you are at the convention. **If you don't have your badge, you may have to pay up to the current purchase price to replace it.**

When you check in, you will receive a holder for your badge. This is proof that you've checked in and the best way to keep your badge on your person. Keep your badge in its holder and visible at all times. This is the easiest way for the staff to know that you are allowed inside the Convention Space.

The badge you are assigned will vary based on your age. Here are the age breakdown and attendance restrictions:

Child: 12 and under – Can attend the convention except during convention curfew between midnight and 6:00 AM and must be accompanied at all times by a parent or legal guardian paid attendee.

Minor: 13-17 – Can attend the convention except during convention curfew between midnight and 6:00 AM and must have a Parental Permission Form or proof of legal emancipation on file by check-in.

Adult: 18 and over – Can attend the convention.

Some individual convention events may have restricted admission as described in the panel descriptions in the program book.

Guests of Honor

Tiffany Grant

Tiffany Grant is excited to return to Kumoricon! Best known as Asuka in **Neon Genesis Evangelion**, Tiffany was the first anime voice actor hired in Texas (Feb. '94).

She's voiced characters in over 1000 TV episodes, OVAs & movies including **Azumanga Daioh**, **Chrono Crusade**, **Blue Seed**, **Golden Boy**, **Full Metal Panic? Fumoffu**, **Godannar**, **Fullmetal Alchemist**, **One Piece**, **The Wallflower**, **Kurau Phantom Memory**, **Tsubasa: RESERVOIR**, **CHRONICLE** and **Maburaho**. Video game credits: **Unlimited Saga**, **Deus Ex: Invisible War**. Recent projects include **Fullmetal Alchemist: Brotherhood**, **Blue Drop** and **Tears to Tiara**.

Ms. Grant has adapted English dub scripts for TV series such as **Angelic Layer**, **Hello Kitty's Animation Theater**, **Maburaho**, **Ah! My Goddess** season 2, **The Wallflower** and **Jungle Juice** (live-action film). She also wrote scripts for several subtitled projects including **Miyuki-chan in Wonderland**.

Additionally, Tiffany contributed to the albums **"Voices for Peace"** and **"Voices for Tolerance"** (www.voicesfor.org). Profits benefit charities like Doctors Without Borders. CDs and downloads: www.cdbaby.com and iTunes.

Non-anime work includes **Arlington Road** (with Jeff Bridges) and indie films **Laughing Boy** and **Dead of Knight**. Tiffany has years of experience in theatre and commercials and an incurable Hello Kitty addiction! For more, visit <http://tiffanygrant.eva-r.com/>

Todd Haberkorn

Todd Haberkorn is currently a proud member of the anime community and continues to be its humble servant by way of English dubbing.

Haberkorn received his BFA in acting from Southern Methodist University and continues to work professionally, primarily in Texas and surrounding states, as an actor, director, producer, and writer. Unfortunately, the FUNimation Podcast is no more, so you won't see him as the host of that (unless everyone bands together and writes to FUNimation!! —there might be a box set in it for ya!!).

As far as shows go, catch Todd's voice as lead roles in **Hetalia** as Italy, **Sgt. Frog** as Keroro, **Suzuka** as Yamato, **Ghost Hunt** as Naru, **Claymore** as Raki, **xxxHOLiC** as Wataknuki, **D.Gray -Man** as Allen Walker, **Sands of Destruction** as Kyrrie, **Soul Eater** as Death the Kid, and some others he can't say right now. A few supporting roles include Itsuki in **Shuffle**, Ichimoruken in **Hell Girl**, Firo in **Baccano!**, Kono in **Darker Than Black**, Hikaru in **Ouran High School Host Club** and Khoza in **One Piece**. Check out most of the shows listed above on Hulu.com and not illegally please. :)

When not in the booth, Todd is a producer with his company, **Out of the Office Productions**. Todd is represented by The Horne Agency.

Sonny Strait

Don "Sonny" Strait (born June 28, 1965 in Kaufman, Texas) is an American comic artist and voice actor (mainly anime-related). He is best known as Krillin from **Dragon Ball Z**, the first voice of Toonami's mascot, **TOM**, Maes Hughes from **Fullmetal Alchemist**, and the current voice of Usopp from **One Piece**. He mainly works with FUNimation.

He and his friend William (Bill) Foster made a comic called **Muff Dwyer and the Sex Gophers From Hell** and, after being noticed by some local celebrities in the small college town Denton, Texas, they went on to make more such as **The Atomic Punk** and **Mr. Average**.

Besides his voice acting career, Sonny has also penciled several comic strips as well as two stories for the **Elfquest** series.

Sonny is currently under contract to publish a manga titled **We Shadows** with Tokyopop. The first volume debuted in August 2007 and was nominated shortly after for YALSA's Great Graphic Novels for Teens list in 2008.

His most recent work is an online comic, **Car Bombs**. He and his wife also sing in a cover band called **White Girl**.

Kevin McKeever

A graduate of the lighting design program from Emerson College, **Kevin** has been working in the entertainment industry for nearly fifteen years. He has worked in theater production at world class venues such as the Goodspeed Opera House, the Emerson Majestic Theater, Foxwoods Casino, and the Mohegan Sun Resort, which he helped open in 1996.

His television production credits include **Jackass**, **Kids Say the Darndest Things**, **Guinness Book of World Records**, **The Krypton Factor**, **Farmclub.com**, **The '60s**, as well as various television commercials. His film credits include **Mystery Men**, **For Love of the Game**, and **Billy Frankenstein**. Kevin has also served as Assistant VP of Production for feature film producer and New York Times best-selling author **Lynda Obst**.

Kevin's first official assignment in the **Robotech** universe was as an auditor of Robotech's television ratings and viewer demographics during its original run in the 1980s. Kevin's analysis of the ratings in a cost-effective manner along with his years of production experience made him a natural candidate for the Robotech team.

Carl Horn

Carl Gustav Horn is a manga editor at Portland's own **Dark Horse Comics**, whose catalog includes such works as CLAMP's **Clover**, Kosuke Fujishima's **Oh My Goddess!** and Eiji Otsuka and Housui Yamazaki's **The Kurosagi Corpse Delivery Service**. A former editor at Animerica and Pulp magazines, he has worked in the US anime and manga industry since 1993, and was a co-author with Patrick Macias on **Japan Edge**, the first book on otaku culture to be reviewed in the mainstream media. He has contributed to the US DVD releases of **Appleseed: Ex Machina**, **Gunbuster**, **Gunbuster 2**, **Royal Space Force**, **Patlabor 2**, and **Jin-Roh**, and has provided commentary on the field to **Weekly Comic Morning**, **Square Jump**, **Newsweek Japan**, the **Nihon Keizai Shimbun**, **AERA**, **Clarín**, **The Los Angeles Times**, **The Hollywood Reporter**, **NPR**, and **Wired**.

The Anime Hunters

The Anime Hunters return for a third year at Kumoricon. Hailing from the city in the desert, they bring with them entertainment for the anime community. What kind of entertainment is that exactly? Anything from live performances to online episodes about the life and times of cosplayers. But you should go and find out firsthand. The group consists of four primary members: **Zach (Yatta Cloud)**, **Dane (Yatta Dante)**, **Cassie (Chibiroth)**, and **Jeremy (Random Dancing Kid)**, all of whom have attended and hosted panels at previous Kumoricons, as well as performed award-winning skits in the Cosplay Competition. You will ROFL, LOL, and BBQ! Barbeque? Wait a minute...

Dance!

Here are a few opportunities to strut your stuff and dance the con away, or watch others dance while you enjoy the music!

Kumori Ball, hosted by Ouran Host Club Hosts

You are invited to attend the Kumori Ball, our formal dance, hosted by the hosts from the Ouran Host Club. Come in all your finery, ready to waltz with your favorite host. The dress code is semi-formal or cosplay. (Hosts and Staff reserve the right to deny entry to anyone inappropriately attired).

Kumoricon Rave

Come listen to the live DJs, and get ready to strut your stuff. Held Saturday and Sunday night with a mix of DJs—see the schedule for times. Here are the DJs!

DJ DiscoSnake & The Electric Jungle Pig Experience

DJ DiscoSnake & The Electric Jungle Pig return to Kumoricon for another triumphant year at the tables. Creeping out from under the Main Events tech booth and hitting the main stage, we'll mix together anime soundtracks, game music, electronica, techno, house, and Internet memes, sprinkling in some hip hop, top 40, and a liberal dose of other danceable tracks.

DJ DiscoSnake & The Electric Jungle Pig are on loan from CMD Productions, a local lighting and sound company that has been with Kumoricon since year one. Got a track you're dying to dance to? We'll have a request thread in the K-con forums and request sheets at the front of the stage as we try to flood the dance floor with crowd pleasers. Ready yourself for the DJ DiscoSnake & The Electric Jungle Pig Experience.

Jimni Cricket (NAHM/House Wrecking/NuBreed/Marble) – SEA

Seattle native Jimni Cricket has been DJ'ing professionally for ten years, focusing on everything from cheesy happy hardcore to live mash-ups to pretty much anything else under the sun. In recent years, she has been extremely dedicated to making herself one of the more technical DJs in the US. Constantly learning new tricks and challenging herself, Jimni is well-known for her quick mixing and ninja-like scratching abilities, she will often throw over forty tracks effortlessly during the course of a one-hour set. Jimni Cricket is a resident DJ and is featured monthly on NAHM (North American Hardcore Movement), which hosts a weekly Internet radio show that boasts some of the finest hardcore talent in North America and averages over 500 listeners every week. Jimni has also been featured on FM radio stations C89.5 (www.c895worldwide.org) and KGRG. In her quest to leave no city untouched, she has headlined in almost every US state and ventured into Canada. With her unique style and adorable personality, the bug makes friends and fans at every single show.

Initial P (Disko Warp) – PDX

Pete Ellison (a.k.a. Initial P) runs to the notorious happy hardcore/eurobeat label Disko Warp. Heading up the team that brought you hits like "Less than Three" and "Oh Oh Oh Sexy Vampire", Disko Warp helped revive Swedish eurodance stars by penning their comeback single "Doki Doki" in 2009. After featuring over a dozen songs in videogames like Dance Dance Revolution and Pump it Up Pro 2, Pete has taken to the DJ stage to promote Disko Warp's newest release, "Anime Love Hardcore".

Graz (Reactionary/Donut Nook/Breakpop) – SEA

Federally certified to crush any party, Graz is here to take you to Bootleg Babylon with his Rapid-Fire-Amen-Infused-Mashcore. His glitched-out, high-speed rave renditions of radio's yesteryear are perfect for getting any crowd bobbing. Prepare for the true sounds of the plunderground.

Kid Kaboom (NuBreed/The Underground Heroes/Tap Tap/Beat Affinity) – SEA

Matt Terror (Reactionary/Funshine) – PDX

Portland's Super Awesome Hardcore Originator and Troublemaker.

Mr. GnarGnarKillKill (Reactionary/Disrepair Fashion) – PDX

GnarGnarKillKill is one half of Portland-based hardcore The H8ers. He rocks everything from bass line and fidget house to old school happy hardcore (to keep the kiddies happy).
