# KUMORICON 2011 Convention Map

# General Information

This Pocket Programming Guide is a handy reference for a lot of the fun things going on at the convention!

## CONVENTION TIPS

### Know the area!

It's good to get a general understanding of the layout of the convention itself, but its even better to get to know the local area.

### Take care of yourself!

Pace yourself, drink lots of water, eat good meals, and have fun. Don't run yourself ragged, or you might take home a cold along with your anime goodies!

### Don't lose your badge!

This explains itself, really. Avoid the headache, make sure you have that badge at all times!
