GENERAL INFORMATION

This Pocket Programming Guide is a handy reference for a lot of the fun things going on at the convention!

CONVENTION TIPS

Know the area!

It's good to get a general understanding of the layout of the convention itself, but it's even better to get to know the local area.

Take care of yourself!

Pace yourself, drink lots of water, eat good meals, and have fun. Don't run yourself ragged, or you might take home a cold along with your anime goodies!

Don't lose your badge!

This explains itself, really. Avoid the headache, make sure you have that badge at all times!
