Autographs – General Rules and Policies

1. All autographs are at the guest's discretion. Guests have the right to refuse to autograph anything or for anyone at their individual discretion. Some guests may have special requests, such as: no photos, requiring masks, only allowing one item to be signed, etc. All limitation requests from the guest and Autograph Staff must be followed.
2. Paid autographs are limited to a maximum of 1 autograph per autograph purchased. Free autographs are limited to a maximum of 1 free autograph per person, and only on a personal item unless otherwise specified by a guest. Items for guests to sign must be official, licensed products (no bootlegs). Fan art is acceptable for some guests, but may be refused on a case-by-case basis; please confirm with Autograph Staff or the guest's liaison before you reach the guest. Guests may have merchandise or prints available for purchase while at the session, at their discretion. Please have items ready for signing, or payment ready for making a purchase when you are near the front of the guest's line. Check with the Autograph Manager or the guest's liaison to find out if the guest accepts cash, card, Google/Apple Pay, or some combination thereof.
3. Guests may refuse gifts, photos, or recordings individually or entirely at their discretion. Always ask a guest's liaison prior to offering a gift to a guest.
4. To provide a fair signing opportunity to all attendees, please limit your time with a guest to one minute or less.
5. No touching guests without permission. Ask first for hugs, handshakes, etc., and respect that a guest may be sick, tired, or have some other reason for not wanting to give hugs. "No" is a complete sentence, and do not ask a guest to explain why they do not consent to physical touch. Please be aware that some guests may require masks at their signings. Signage will be posted at the beginning of the guest line indicating this if this is the case. Please make sure to have a mask on you, just in case.
6. The following gifts are prohibited: gifts of homemade food, gifts of pre-packaged consumables that have been opened, or gifts of pre-packaged consumables with tampered packaging. All consumable gifts must be pre-packaged with visible seals intact, without exception. If you have a consumable gift, you must present your gift to the guest's liaison for approval prior to presenting the gift to a guest.
7. Please remember that items to be signed or gifts must follow Kumoricon policies, such as props and weapons. Please review our Code of Conduct if you have questions about if your item would be allowed.

Autographs – Paid and No-Cost Sessions

Paid autographs

Some guests will only have paid autographs. For all guests with paid autographs, we will not be pre-selling them on our website this year. They will only be available for purchase at the convention.

Free autographs

All free autographs will be available for reservation prior to the autograph session through a text message reservation system. All reservations are first-come, first-served. Some of the available reservation slots will be open at the start of the convention, and a portion of available reservation slots for each session will become available starting the day of each session. Visit our event reservations page for full details. For a guest's scheduled signing, attendees without a reservation may line up after the first 30 minutes as long as that guest's line has room to stand. After non-reserved attendees have been able to join a line, if other attendees with a reservation arrive late, they may

use the VIP line in order to guarantee timely access to their reserved spot.

Each attendee is limited to one free autograph per guest who offers free autographs. Please note that only personal items brought by an attendee will be free; while guests may have prints, shikishi, or other merchandise at their booth, those will have costs associated with them which will be communicated at the guest's booth (and may be communicated online if timing allows). If a guest allows an attendee to obtain more than one autograph at a session, any additional autographs after the first one must be purchased using the prices listed at each guest's booth. See the General Q&A for more information.

Note: Kana Ueda will only sign convention materials, shikishi, or officially licensed art or merchandise. All of her autographs will be personalized.

Event Reservations

Entry to no-cost autograph sessions and the escape room sessions may require an advance, at-con, no-cost reservation. Please see 4-digit numbers in the schedule (in this guide or in the Guidebook app) for the most up-to-date list.

How to Reserve

After getting your badge, send a text message with your action to **201-597-5897**

This phone number only sends automated replies to texts and is not human monitored. For in-person assistance, please visit the Info Booth to make reservations.

Reservation Limit

Each attendee may hold **2 reservations** at a time. When you attend an event that you reserved, your limit is freed up. We may increase or decrease the 2-reservation limit during the convention based on crowd and demand levels.

Add a Reservation

Use event codes posted on room signs:

add [CODE] attendee-names

ex: add 5379 amy beth cathy

Replace [CODE] with corresponding event code. Your first name lets us know who in your family the reservation is for if multiple attendees share the same phone number.

Cancel a Reservation

Use event codes posted on room signs:

cancel [CODE] attendee-names

ex: cancel 5379 amy beth cathy
We may text you and require a response code to verify removals.

Swap a Reservation

To swap a reservation, first make the new one, then cancel the old one. The system will let you briefly exceed your

2-reservation limit to do a swap.

Event Full?

More spots are made available the morning of each event at 6am, and then on each hour, until the event starts. Reservations are first-come, first-served. There is no random drawing.

At your reservation limit?

From 60 to 30 minutes before an event start time, a reservation doesn't count against your limit. A standby line will form 30 minutes before most events, and text message reservations will close at this time.

Code of Conduct

Last updated November 1, 2023

I. Entry requirements

- Everyone must present valid, government-issued photo ID to buy a membership or to check in.
- Your badge is your proof of membership. You must wear it at all times in convention space.

II. Age restrictions

- Attendees under age 18 must present a signed parent permission and liability release form at time of entry.
- Attendees under age 18 must leave convention space between the curfew hours of 12:00 midnight and 6:00 am. (There is no exception for parent accompaniment.)
- Attendees under age 13 must be accompanied by a parent or legal guardian at all times.
- To attend an event marked age 18+, you must have a hand stamp. ID will not be accepted at the door of the event. To get a hand stamp, please present both your badge and valid government-issued photo ID to the

Programming Office. (There is no exception to the hand stamp requirement for parent accompaniment.)

III. Event restrictions

- Please do not line up more than 30 minutes ahead of any event.
- Entry to some convention events and autograph sessions may require either advance sign-up, or a paid ticket. Please see individual event details for full information.
- The Oregon Convention Center prohibits all animals on its campus. This includes therapy or anxiety pets. Only animals trained to provide assistance to an individual with a disability, through a specific action, are allowed. For any official Kumoricon programming held outside the Oregon Convention Center, the policies for the venue where that programming is held apply.

IV. Cosplay, clothing, and coverage

- Our coverage policy is gender-

neutral. Costumes or clothing must cover the following: complete groin and buttocks, and approximately 60% of the breast area, including 100% nipple coverage. Coverage may not be sheer or transparent, painted on, or overly form-fitting to the point where it reveals the details of genitalia.

- Footwear must be worn which includes a sole covering the bottom of the feet.
- Costume props that may be potentially dangerous, or may appear to be potentially dangerous (even if they aren't), must be peace-bonded upon entry to the convention, or upon purchase of the item in KumoriMarket.

Peace-bonding is an agreement to carry your prop safely, and requires signing an acknowledgement of the

requirements of safe carry. A staff member will attach a peace-tie to your item which signals to all staff that your item has been reviewed.

Peace-bonding is conducted in Holladay Lobby and inside KumoriMarket. After KumoriMarket hours, peace-bonding will be available in the Operations Office.

V. Harassment and other prohibited behavior

- Harassment, and any behavior that disrupts another person's experience, are prohibited. Disallowed behavior includes unwanted physical contact, threats, heckling or jeering, or any other form of rude, offensive, or disruptive behavior. This policy applies regardless of whether the behavior is aimed at a specific person.
- If another person no longer wishes to speak to or interact with you, you must immediately cease your conversation and interaction

with them, and you may not follow them to another area. If you experience harassment or other unwanted behavior, please visit the Operations Office to discuss or report an incident or concern. We strongly encourage attendees to report an incident as soon as possible after it occurs.

Other prohibited behavior:

- Consumption of alcohol (unless presented as part of an official convention event), consumption of illegal drugs (including marijuana), smoking or use of e-cigarettes, or intoxication
 - Lewd conduct
 - Unsafe behavior, including real or play fighting
 - Selling or soliciting items or services
 - Distribution of flyers or literature
 - Brandishing, waving around, or pointing prop weapons
- Prop firearms and blades must

Code of Conduct continued on next page →

always stay holstered, slung, or sheathed, except while posing for photos.

The following items are prohibited:

- Functional firearms or ammunition (no exception for concealed carry)
- Functioning projectile weapons, devices, toys, including items meant to be thrown; or paddles
- Swords and props which contain live steel (sharp enough to cut)
- Any prop firearm that does not have a highly visible orange tip, or that for any other reason looks like it could be functional from 10 feet away, even if they are non functioning
- Devices intended to produce vapor or smoke, including but not limited to vape pens, smoke bombs, and fog machines, unless approved as part of an official convention event (prohibition also applies within 25 feet of any building entrance)
- Potentially dangerous props

which are not part of a bona fide costume

- Any props or items that inhibit traffic due to their size
- Any signage or clothing containing profanity, explicit or graphic language or imagery, slurs, insults, threats, solicitations, or room party advertisements
- Costumes, props, or items of clothing which are vulgar, obscene, graphic, or sexually themed

Projectile items or replica firearms are allowed only if they are, or have been made, permanently non-functional. “Permanently” means it is not possible to repair or restore the item to functionality. In most cases this means the item must be filled with glue and all moving parts rendered immobile.

We may limit any other offensive, disruptive, or unsafe costumes, props, signs, or clothing in our sole discretion.

VI. Photography restrictions

Be polite with your camera and how you conduct your photography or video recording. Photography and video recording are generally permitted. However:

- It is strictly prohibited to take a photo of any person who asks you not to, or shows by their body language that they do not wish to be photographed.
- It is also prohibited to take a photo if a reasonable person would know the subject(s) would probably not want to be photographed under the circumstances.
- Photography is not allowed in any event where the event host asks you not to, there is a sign prohibiting it, or in viewing rooms, Artist Alley, Small Press, or the Art Show; except with on-the-spot artist permission.

VII. Violations

- Any violation of this code of conduct or illegal action may be handled by a warning,

temporary convention suspension, permanent membership revocation, or longer ban, in our sole discretion.

- Allowable activity at the convention is at our sole discretion. If an authorized staff member asks you to stop doing something, remove an item, or leave an area, then it has the weight of this code of conduct, even if it’s not printed in this code of conduct.

VII. Changes

This code of conduct may be changed without notice.

<https://www.kumoricon.org/code-of-conduct> will always contain the latest version, and printed copies are available at the convention. ■
