Chair

Brian Mathews [He/Him]

Regarding the governor's order (yes, we saw it):

- We're still a long way away from con, and a lot can happen.
- That said, we know people will want to prepare and don't want to make any announcements RIGHT before con.
- We hope to have answers for you all in September.
- We've already been making plans on plans on plans, we're going to be watching the next couple of months very carefully and see what we need to keep you all safe. :)

- Working with everyone, on everything, all the time.
- A little behind on my backlog of stuff (like usual).
- Had a productive meeting with my Chair team!
- Charity should be up soon.
- Other than that, I'm always putting bugs in people's ears about ideas.
